United States Senate
Washington, DC 20510

Dear Madam Chairman:

The Congressional Budget Office has reviewed S. 3028, the Daniel J. Evans Olympic National Park Wilderness Act, as passed by the Senate on July 14, 2016.

CBO estimates that enacting S. 3028, which would rename the Olympic Wilderness, would have no significant effect on the federal budget and would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply. CBO estimates that enacting the bill would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2027

S. 3028 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Jeff LaFave.

Sincerely,

A handwritten signature in black ink that reads "Keith Hall" with a stylized flourish at the end.

Keith Hall
