**S. 521
President Street Station Study Act**

*As ordered reported by the Senate Committee on Energy and Natural Resources
on July 30, 2015*

S. 521 would direct the Secretary of the Interior to study the suitability and feasibility of designating the President Street Station in Baltimore, Maryland, as a unit of the National Park System (NPS). Based on information from NPS, CBO estimates that carrying out the proposed study would cost about \$200,000; such spending would be subject to the availability of appropriated funds. Enacting S. 521 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

S. 521 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Marin Burnett. The estimate was approved by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.
