2017 current status includes budget authority and outlays resulting from prior year appropriations. It reflects the latest stage of action, starting with the committee-reported stage.

1. Pursuant to section 102 of the Bipartisan Budget Act of 2015 (P.L. 114-74), the Senate Committee on the Budget published information in the Congressional Record on April 18, 2016, providing budget authority and outlay allocations to the Senate Committee on Appropriations for fiscal year 2017. On April 18th, the Senate Committee on Appropriations filed a report providing allocations to each subcommittee; those allocations provide separate amounts for budget authority (security and nonsecurity) and a single amount for outlays.
2. Amounts designated as emergency, disaster, or program integrity funding pursuant section 251 of the Balanced Budget and Emergency Deficit Control Act of 1985 (the Deficit Control Act), as amended, are included in the current status amounts.
3. Amounts are subject to the discretionary spending limits in the Deficit Control Act. Those limits will be adjusted to accommodate appropriations designated pursuant to section 251(b)(2) of the act.
