Correction: On May 20, 2015, CBO reposted this file. Table 1 of the original file did not include the emergency requirements in the totals by subcommittee; this table has been updated to include those amounts.

1. These amounts are subject to discretionary spending limits in the Balanced Budget and Emergency Deficit Control Act of 1985 (the Deficit Control Act), as amended. The spending limits were established in the Bipartisan Budget Act of 2013, which amended the Deficit Control Act. The spending limits in 2015 are \$521,272 million for the defense category and \$492,356 million for the nondefense category, for a total of \$1,013,628 million.
2. The spending limits set by the Deficit Control Act are to be adjusted to accommodate appropriations for these purposes, pursuant to section 251(b)(2) of that act.
