COST ESTIMATE

August 20, 2010

H.R. 2430
North Cascades National Park Service Complex Fish Stocking Act

*As ordered reported by the Senate Committee on Energy and Natural Resources
on August 5, 2010*

H.R. 2430 would authorize the National Park Service (NPS) to stock fish in lakes in three units of the National Park System in the state of Washington. Based on information provided by the NPS, CBO estimates that implementing H.R. 2430 would have no significant effect on discretionary spending. Under the bill, the expense of stocking fish would be borne by the state or other nonfederal entities, as it has been since the three park units were established. Enacting the legislation would not affect revenues or direct spending; therefore, pay-as-you-go procedures do not apply.

H.R. 2430 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contact for this estimate is Deborah Reis. The estimate was approved by Peter H. Fontaine, Assistant Director for the Budget Analysis Division.
