

June 28, 2011

Honorable John L. Mica
Chairman
Committee on Transportation
and Infrastructure
U.S. House of Representatives
Washington, DC 20515

Dear Mr. Chairman:

The Congressional Budget Office has reviewed the following legislation ordered reported by the House Committee on Transportation and Infrastructure on June 22, 2011:

- H.R. 1073, a bill to designate the United States courthouse to be constructed in Jackson, Mississippi, as the “R. Jess Brown United States Courthouse”;
- H.R. 1264, a bill to designate the property between the United States Federal Courthouse and the Ed Jones Building located at 109 South Highland Avenue in Jackson, Tennessee, as the “M.D. Anderson Plaza” and to authorize the placement of a historical/identification marker on the grounds recognizing the achievements and philanthropy of M.D. Anderson; and
- H.R. 1791, a bill to designate the United States courthouse under construction at 101 South United States Route 1 in Fort Pierce, Florida, as the “Alto Lee Adams, Sr., United States Courthouse.”

CBO estimates that enacting those pieces of legislation would have no significant impact on the federal budget and would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

Honorable John L. Mica

The bills contain no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Matthew Pickford.

Sincerely,

for Robert A. Gundersen
