H.R. 2943

A bill to amend Title 5, United States Code, to increase the amount of leave time available to a federal employee in any year in connection with serving as an organ donor, and for other purposes

*As ordered reported by the House Committee on Government Reform and Oversight
on July 23, 1998*

H.R. 2943 would increase—from seven days to 30 days—the amount of paid leave (in addition to annual and sick leave) available to federal employees who serve as organ donors. CBO estimates that enacting this bill would have no significant impact on the federal budget. Because the bill would not affect direct spending or receipts, pay-as-you-go procedures would not apply. H.R. 2943 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact is John R. Righter. This estimate was approved by Robert A. Sunshine, Deputy Assistant Director for Budget Analysis.
