H.R. 3034

An act to amend section 13031 of the Consolidated Omnibus Budget Reconciliation Act of 1985, relating to customs user fees, to allow the use of such fees to provide for customs inspectional personnel in connection with the arrival of passengers in Florida, and for other purposes

As cleared by the Congress on November 13, 1997

H.R. 3034 would permit certain customs user fees to be spent in 1998 for purposes not allowed under current law. We expect that enacting H.R. 3034 would increase direct spending by about \$2 million in fiscal year 1998, either from fees collected in previous years or from 1998 fees that would not have been spent in the absence of the legislation. The legislation would not affect governmental receipts.
