

CONGRESSIONAL BUDGET OFFICE  
COST ESTIMATE

December 21, 2017

**H.R. 4009**  
**Smithsonian National Zoological Park Central Parking Facility**  
**Authorization Act**

*As ordered reported by the House Committee on House Administration  
on December 13, 2017*

H.R. 4009 would authorize the Smithsonian Institution to plan, design, and construct a central parking facility on the National Zoological Park's property in the District of Columbia. Construction would be financed with nonappropriated funds.

CBO estimates that implementing H.R. 4009 would not affect the federal budget. Because enacting the legislation would not affect direct spending or revenues, pay-as-you-go procedures do not apply.

CBO estimates that enacting H.R. 4009 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2028.

H.R. 4009 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act.

The CBO staff contact for this estimate is Meredith Decker. The estimate was approved by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.
