

CONGRESSIONAL BUDGET OFFICE
COST ESTIMATE

May 4, 2018

H.R. 4569
Counterterrorism Information Sharing Improvement Act of 2017

*As passed by the House of Representatives
on January 9, 2018*

H.R. 4569 would direct the Department of Homeland Security (DHS) to ensure that it has access to any biographical and biometric data collected by federal agencies (such as the Department of Defense) on people associated with terrorist organizations. Because DHS currently carries out similar activities, CBO estimates that implementing H.R. 4569 would have no significant effect on spending by DHS or other agencies.

Enacting H.R. 4569 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

CBO estimates that enacting H.R. 4569 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2029.

H.R. 4569 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act.

The CBO staff contact for this estimate is Mark Grabowicz. The estimate was reviewed by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.
