

January 26, 2018

Honorable Rob Bishop
Chairman
Committee on Natural Resources
U.S. House of Representatives
Washington, DC 20515

Dear Mr. Chairman:

The Congressional Budget Office has reviewed H.R. 553, a bill to redesignate Gravelly Point Park, located along the George Washington Memorial Parkway in Arlington County, Virginia, as the Nancy Reagan Memorial Park, and for other purposes, as ordered reported by the House Committee on Natural Resources on January 17, 2018.

CBO estimates that enacting H.R. 553 would have no significant effect on the federal budget and would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply. CBO estimates that enacting H.R. 553 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2028.

H.R. 553 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Janani Shankaran.

Sincerely,

A handwritten signature in black ink that reads "Keith Hall".
