S. 644

Medgar Evers House Study Act

*As ordered reported by the Senate Committee on Energy and Natural Resources
on March 30, 2017*

S. 644 would direct the Secretary of the Interior to study the suitability and feasibility of designating the Medgar Evers House in Jackson, Mississippi, as a unit of the National Park System. Assuming the availability of appropriated funds, CBO estimates that carrying out the proposed study would cost about \$200,000.

Enacting S. 644 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply. CBO estimates that enacting S. 644 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2028.

S. 644 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Jon Sperl. The estimate was approved by H. Samuel Papenfuss, Deputy, Assistant Director for Budget Analysis.
