Division A

The table displays CBO's estimate of fiscal year 2019-2029 budgetary effects of Divisions A of S.A. 201, Additional Supplemental Appropriations for Disaster Relief, 2019. Division A would provide supplemental appropriations for fiscal year 2019 to respond to various natural disasters, and it would designate those amounts to be emergency requirements or disaster relief pursuant to section 251 of the Balanced Budget and Emergency Deficit Control Act of 1985. The limits established by the Budget Control Act of 2011 (P.L. 112-25), as amended, would be adjusted to accommodate those amounts.

Division B

Sec. 101, the Violence Against Women Act Extension, has no budgetary impact.

Sec. 201 of of Division B of S.A. 201 would direct that, beginning in fiscal year 2020, estimates of certain funding provided from the harbor maintenance Trust Fund (HMTF) in appropriation acts shall not be counted for the purposes of the Congressional Budget and Impoundment Act of 1974, or the Deficit Control Act. That direction would apply to estimates of appropriations up to the amount of deposits into the HMTF in the previous year. In fiscal year 2018, the last year for which full-year data is available, appropriations from the HMTF totaled \$1,583 million; deposits into the fund totaled \$1,657 million.
