H.R. 1569 would allow federal district court judges serving in the District of Arizona to hold court proceedings in the cities of Flagstaff and Yuma. Under current law, district court proceedings are limited to being held in the cities of Globe, Phoenix, Prescott, and Tucson in Arizona. Using information provided by the Administrative Office of the United States Courts, CBO expects that allowing proceedings in the two additional cities would lead to improvements in case management throughout the court district, which could reduce administrative costs for the district. However, CBO estimates that any resulting savings would not be significant over the 2020-2024 period.

The CBO staff contact for this estimate is Jon Sperl. The estimate was reviewed by Theresa Gullo, Assistant Director for Budget Analysis.
