

H.R. 1975, Cybersecurity Advisory Committee Authorization Act of 2019
 As ordered reported by the House Committee on Homeland Security on September 25, 2019

By Fiscal Year, Millions of Dollars	2020	2020-2024	2020-2029
Direct Spending (Outlays)	0	0	0
Revenues	0	0	0
Increase or Decrease (-) in the Deficit	0	0	0
Spending Subject to Appropriation (Outlays)	*	2	not estimated
Statutory pay-as-you-go procedures apply?	No	Mandate Effects	
Increases on-budget deficits in any of the four consecutive 10-year periods beginning in 2030?	No	Contains intergovernmental mandate?	No
		Contains private-sector mandate?	No
* = between zero and \$500,000.			

H.R. 1975 would require the Director of the Cybersecurity and Infrastructure Security Agency (CISA) to establish an advisory committee that would be composed of members from state and local governments and the private sector. The committee would provide CISA with recommendations on the implementation of cybersecurity policies and programs.

Using information from the agency about the administrative costs of similar advisory committees, CBO estimates that staff salaries, travel costs, and other expenses would be less than \$500,000 annually. In total, implementing H.R. 1975 would cost \$2 million over the 2020-2024 period; such spending would be subject to the availability of appropriations.

The CBO staff contact for this estimate is Aldo Prosperi. The estimate was reviewed by Leo Lex, Deputy Assistant Director for Budget Analysis.
