Honorable John Barrasso
Chairman
Committee on Environment
and Public Works
United States Senate
Washington, DC 20510

Dear Mr. Chairman:

The Congressional Budget Office has reviewed S. 2099, the White Horse Hill National Game Preserve Designation Act, as reported by the Senate Committee on Environment and Public Works on September 25, 2019. The bill would redesignate the Sullys Hill National Game Preserve in North Dakota as the White Horse Hill National Game Preserve.

CBO estimates that enacting S. 2099 would have no significant effect on the federal budget and would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply. CBO estimates that enacting the legislation would not increase on-budget deficits in any of the four consecutive 10-year periods beginning in 2030.

S. 2099 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Janani Shankaran.

Sincerely,

A handwritten signature in black ink that reads "Phillip L. Swagel" with a stylized flourish at the end.

Phillip L. Swagel
