H.R. 5736 would direct the Department of Homeland Security (DHS) to create a threat assessment and reference aid regarding threats to the United States that are associated with foreign white supremacist organizations. DHS would share the information with state, local, and tribal officials and certain online platforms.

DHS is currently carrying out activities similar to those required by the bill. Thus, CBO estimates that implementing H.R. 5736 would cost less than \$500,000 over the 2020-2025 period, subject to the availability of appropriated funds.

The CBO staff contact for this estimate is Madeleine Fox. The estimate was reviewed by H. Samuel Papenfuss, Deputy Director of Budget Analysis.
