H.R. 2717 would authorize the National Medal of Honor Memorial to be located within the Reserve in Washington, DC. The Reserve is the public land between the Lincoln Memorial and the Capitol that includes the White House and the Jefferson Memorial.

Public Law 117-80, enacted in December 2021, authorized the National Medal of Honor Museum Foundation to establish a commemorative work on federal land in Washington, D.C., but not on the National Mall. Because H.R. 2717 would only change the location of the monument, CBO estimates that implementing the bill would not significantly affect federal spending over the 2023-2028 period.

The CBO staff contact for this estimate is Matthew Pickford. The estimate was reviewed by Chad Chirico, Director of Budget Analysis.
