H.R. 5426 would require the Small Business Administration to include on its primary website a link to the Office of the Inspector General's website for reporting fraud related to COVID-19 loans.

Based on the costs of similar activities, CBO estimates that implementing H.R. 5426 would not have a significant cost. Any spending would be subject to the availability of appropriated funds.

The CBO staff contact for this estimate is Aurora Swanson. The estimate was reviewed by H. Samuel Papenfuss, Deputy Director of Budget Analysis.
