YALI was established in 2010 to support young African leaders in the areas of civic engagement, business, and public management. The program received \$43 million for 2023 and the Administration requested \$46 million to operate YALI in 2024. After adjusting for inflation, CBO estimates that extending YALI under H.R. 6087 would cost a total of \$142 million over the 2024-2028 period, subject to the appropriation of the estimated amounts.
