H.R. 6119 would require the Department of State to notify the Congress when certain high-level employees of the department have their security clearance suspended or revoked. Using information about the costs of similar reports, CBO estimates that implementing the bill would cost less than \$500,000 over the 2024-2028 period. Any spending would be subject to the availability of appropriated funds.

The CBO staff contact for this estimate is Sunita D'Monte. The estimate was reviewed by Christina Hawley Anthony, Deputy Director of Budget Analysis.
