

## **Temporary Assistance for Needy Families**

Temporary Assistance for Needy Families is a federal block grant program that provides funding to states to create and administer assistance programs for needy families. States can use the grants to provide cash assistance, work support, and other services to low-income families with children, but they also must spend a certain amount of their own funds on related activities.

Consistent with section 257 of the Balanced Budget and Emergency Deficit Control Act of 1985, CBO assumes that the program will continue to operate as it would immediately before its scheduled expiration on September 30, 2024.

- a. The Further Consolidated Appropriations Act, 2024, extended sequestration for mandatory spending through fiscal year 2032. The percentage reduction for that year is smaller than the reduction in place through 2031.
