S. 2933 would redesignate a playground at New River Gorge National Park and Preserve in West Virginia as the "Hearts of Gold Playground: In Honor of West Virginia Children and Families Impacted by Childhood Cancer." The bill also would require federal agencies to update documents and maps to reflect the name change.

Based on the costs of similar activities, CBO estimates that updating federal documents and maps would cost less than $500,000 over the 2026-2031 period. Any related spending would be subject to the availability of appropriated funds.

The CBO staff contact for this estimate is David Rafferty. The estimate was reviewed by H. Samuel Papenfuss, Deputy Director of Budget Analysis.
