

**Temporary Assistance for Needy Families—CBO’s April 2018 Baseline**

Temporary Assistance for Needy Families is a federal block grant program that provides funding to states to create and administer assistance programs for needy families. States can use the grants to provide cash assistance, work support, and other services to low-income families with children, but they also must spend a certain amount of their own funds on related activities.

**Temporary Assistance for Needy Families (TANF)—April 2018 Baseline**
